October & November, 2006

FIRST SOUTHEAST REGIONAL WIT RALLY HELD IN GEORGIA

"Southern Reunion", in honor of Leonard Lowe of Mississippi, was the first Southeast Regional WIT Rally which was held in Perry, Georgia. Unequivocally, this rally was a success from all the feedback, both verbally and from the surveys. Over **200** Winnebago/Itasca coaches were in attendance on the grounds. The weather was sunny and warm. The catered meals were positively received. The Broad River Band on Friday night and the Chessmen on Saturday night were hits.

All of you who volunteered your time and energy from Georgia and Mississippi are the reason this rally was a success. This rally would not have happened without your friendliness, and willingness to pitch in and "git er done"! I thank each and every one of you. The final tally financially shows approximately a \$750 surplus and that gives the steering committee for the next rally a nest egg. The steering committee has decided to hold the next rally in 2008, at a date and site to be determined. Support for the next rally should not be a problem due to the positive feedback. A new tradition has begun with the Southeast Regional WIT Rally!

It is with a feeling of sadness that Pat and I must say farewell. We have purchased another coach, an "SOB", and we will not be able to attend WIT outings and rallies with you in the future. We have thoroughly enjoyed our 5 years in the Georgia Winnie Rebels and wish all of you much success and safe travels. I'm sure our paths will cross and who knows, we may come back as vendors, "the thing to do" in the future.

Steve and Pat Thomas

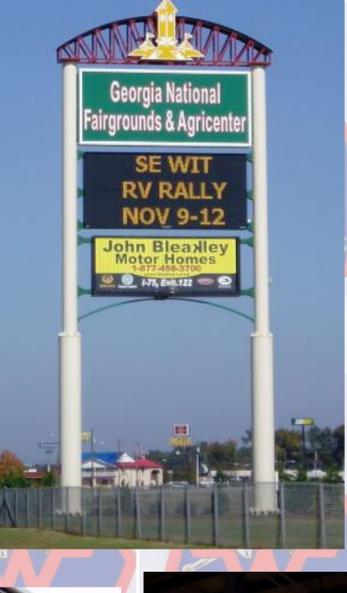

We had a terrific showing of support from the Georgia Winnie Rebels at the first ever S.E. Regional Rally held in Perry, GA. We had over 80 coaches representing Georgia! In addition to Georgia, Florida had a high level of participation along with Mississippi, Alabama, South Carolina, Tennessee, Kentucky, North Carolina and Virginia.

Steve Thomas and his team put on a terrific rally and everyone seemed to enjoy themselves. With attendance of 200 coaches, the enthusiasm was high to continue the event every other year, the next being in 2008. We already have the Fair Grounds reserved for November 2008!

Please be sure to check out the Georgia WIT website to view all the pictures. Fred Tomsett has out done himself with capturing the event visually. The site is <http://gawit.com>

I hope everyone has a great Thanksgiving and Christmas and I look forward to seeing everyone in January.

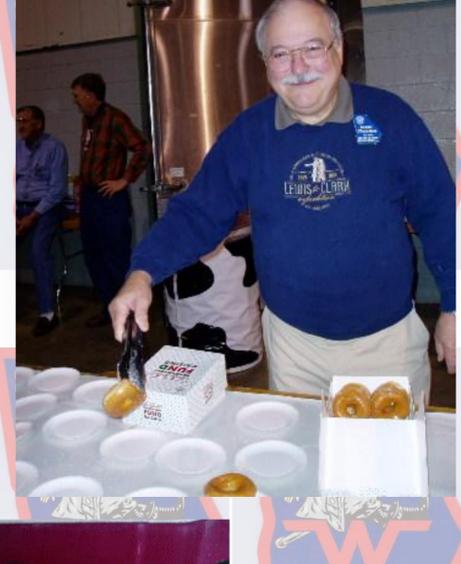

Doug Ralston
Georgia Winnie Rebels State President
