June 24, 2008

Dear Georgia Winnie Rebel Members:

Margie and I have just returned from the WIT Chicago Tour and want you to know we had a delightful time. This was our first WIT tour and I do recommend checking them out. We are already looking ahead to the Washington DC Tour in 09.

There are a few items I would like to call to your attention at this time--

Please plan to attend the next State Meeting in Gadsden, Alabama. Make your reservation with River Country Campground at 256-543-7111, dates September 19th - 21st. Early arrivals are welcome. Metro is the host chapter. Fred Tomsett tells me he is going to make his famous macaroni and meat dish for the main meal on Saturday night. That alone is worth the trip!!!

We still have open committee slots for the April 2009 Rally both in leader and team member positions. Check the website and then contact Fred or myself and we will fill in the blanks. If you know of any source for door prizes and can secure one or two for the club, please do so and let us know. The rally organization will be on the agenda for the business meeting.

If you are interested in caravanning to the Louisiana State Rally in October, please contact me. Dates are October 24th - 26th. Rally information can be found in the June WIT Club News on page 71. The plan is to meet at the Alabama Welcome Center, I-85, on Sunday around 1 P.M. and head out to an RV park south of Montgomery. Monday we will drive about 250 miles to our next stop and Tuesday into Rayne, Louisiana. The return will be at your discretion, however, a stop at Fairhope, Alabama could be allot of fun as the RV park I have in mind (Wales West) has a narrow gauge railroad running around the park plus a heated pool and other amenities. So far, there are 6 couples interested in going.

Thank you for your time, your help and see you in September.

Dan Rankin, President  
Georgia Winnie Rebels
