Dear GWR Members:

It is my pleasure to serve you this year as the President of the Georgia Winnie Rebels. The swearing in ceremonies took place this past weekend at the state meeting in Dillard, Georgia. I am looking forward to an exciting year ahead. We are already planning for the April 2009 rally which will be a western theme. So dust off your boots and get out your cowboy hats and prepare yourself for a good time. Vice President Fred Tomsett has some great ideas for the scenery and is already swinging a paint brush. At the state meeting we posted a sign-up poster for committee chairmen and team members. There are still spots open and an Excel spread sheet will be sent out soon showing those committees that need a leader. Please join in and share the fun in preparing for a fine rally. Getting involved can be more fun than just attending. Of course, your attendance is just as important and we hope you will plan to attend.

Another event that sounds exciting to me is a caravan of Georgia Winnies to another State Rally. How does the Louisiana rally in late October sound? Please let me know if you would be interested in attending this event. We can meet up at the Alabama Welcome Center on I-85 on a Sunday afternoon and head for Drive-up, Louisiana with one or two stops in between. Over 600 sites are available and raven-ups are welcome. We will need a wagon master and a tail ender if we go. Let me know via email or phone if you are interested in this adventure.

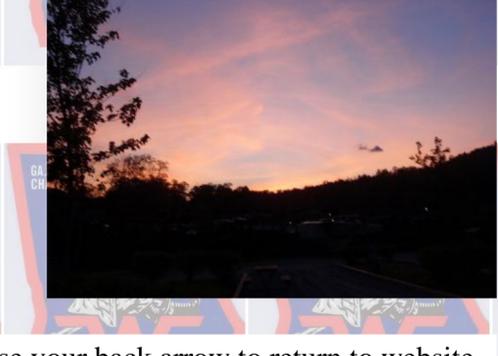

Remember, our next state meeting is in September. Until then, please support your local chapters by attending the outings, keeping on the lookout for new members and having fun in your motor homes.

Happy trails,

Dan Rankin, State President

May State Meeting

New State officers were sworn in. David Stainback (a former President) swears in President Dan Rankin and First Vice President Fred Tomsett.
