NOVEMBER OUTING

The November outing of Gone with the Winnies was held in conjunction with the Southeastern Regional Rally, Nov. 9 - 12 at the Georgia National Fairgrounds in Perry, GA. There were over 200 coaches in attendance from across the United States and Canada. They started arriving as early as Tuesday. Thursday afternoon we had the opening ceremonies. There were over 20 vendors, something for everyone. There were seminars held continuously from Thursday afternoon until Saturday afternoon. Thursday evening we had an ice cream social followed by Bingo. Friday evening we had a catered dinner followed by entertainment by the Broad River Band. Saturday morning we were served Pancakes, Sausage, Orange Juice and Coffee. Saturday evening we were entertained by the Chessmen, from Nashville, TN. following our catered dinner. Sunday morning we had a devotional and closing ceremonies and said our good-byes. The weather was cool Tuesday and Wednesday but by Thursday it was warm and sunny just in time to start the rally and stayed warm until a cool Sunday morning to end the rally. The First Southeastern Rally was a huge success and will be held again sometime in 2008, so if you missed this one watch for the details on the rally in 2008 you will not want to miss it.

TECH TIPS

We had the Safe-T-Plus Steering Control put on our RV a few years ago at the Perry rally. Bought it as insurance, hoping we would never need it. Coming back from Fla. the end of April this year our front right tire blew on I-75 around Venice, FL. We were in the right lane and with fuel costs so high, Ken was keeping it down around 60-65. From the horrendous noise, we knew a tire had blown, but the steering control worked so good, Ken wasn't sure which tire until he pulled off and got out and looked!
He couldn't feel any tug in the wheel at all and easily steered off the road. We've heard some horror stories from people without this aid and now we know how terrific it is. We highly recommend the product.
