SEPTEMBER OUTING

The September outing of the Gone with the Winnies was held in conjunction with our State Meeting at Sugar Mill RV Park in Thomasville, GA on Sept 15 - 17.
Friday morning there was a motorcade to Mr. Chick's restaurant in Cairo, GA, following lunch we toured a premier private antique automobile collection.
Friday evening we had a motorcade to the Homecoming Restaurant in Thomasville for seafood. The food was excellent and the service was even better, serving 40 people all at the same time. Following dinner we returned to the club house for our state meeting followed by a game of Chase the Ace.
Saturday morning we had eggs, grits, Kilbasa, sausage and gravy, biscuits, juice and coffee served by the Metro Atlanta Chapter, the host chapter for the week-end. Following breakfast we had a motorcade to the Thomas County Museum of History. We had a slide show about Thomasville and how the plantations came into being, followed by a tour of a middle class farm home, a modest city dwelling of 1877, an 1892 County courthouse and a bowling alley built in 1893. Next we had a motorcade to Pebble Hill Plantation where we had a picnic lunch on the plantation grounds followed by a tour of the entire home and grounds.
Saturday evening we had a pot-luck dinner at the club house with baked ham provided by the host chapter and as always many wonderful dishes and desserts provided by the ladies of all the chapters. Following dinner we had a "Sock-Hop" with music from the 50's and 60's. Everyone had a great time dancing to the music.
Sunday morning we had muffins and coffee for breakfast, said our good-bys and headed home until the next time. We want to thank the Metro Atlanta Winnies chapter for a great week-end, and all the interesting tours they planned.

HATS & SHIRTS

If you would like a GWTW hat or shirt please contact our new volunteer Christine Coile. You can contact Christine at (706) 783-4142 or by email at jtcoile@earthlink.net.

GWTW WEB PAGE

Our Webmaster, Fred Tomsett continues to maintain and update our web site. It can be found at <http://gwtw.gawit.com>. From there you can find links to the state club and the other chapters. The site is continually updated with the latest photos taken at our many outings. You can help Fred if you can send him any pictures that you took of any meeting. If you know anyone who is looking to become a member or you want to show them what we are about, direct them to the web site. There they will find our schedule of events and copies of our newsletter.

MY FAVORITE CAMPGROUND

If you have a favorite campground or some experiences that you would like to share with everyone please send me the information and I will put it in the next newsletter. You can send it by email to jerryjoyce61@bellsouth.net or Joyce Berens 2231 Tourney Dr, Marietta, GA 30062.

TECH TIPS

We had the Safe-T-Plus Steering Control put on our RV a few years ago at the Perry rally. Bought it as insurance, hoping we would never need it. Coming back from Fla. the end of April this year our front right tire blew on I-75 around Venice, FL. We were in the right lane and with fuel costs so high, Ken was keeping it down around 60-65. From the horrendous noise, we knew a tire had blown, but the steering control worked so good, Ken wasn't sure which tire until he pulled off and got out and looked! He couldn't feel any tug in the wheel at all and easily steered off the road. We've heard some horror stories from people without this aid and now we know how terrific it is. We highly recommend the product.
