River Country Campground was decorated up right for Christmas and we all got to enjoy the beauty of the lights as the sun went down each night. The campground was equally beautiful in the day light with the beautiful nature reflections on the water. It was a cold weekend with temperatures down in the 20s Friday and Saturday night, but that did not slow us down.

Friday Night we all went into town for dinner at Top of the River.

Afterwards, we met up at the clubhouse for birthday cake (Linda Tomsett was our birthday girl) a surprise visit from Santa and a couple games of Chase the Ace.

Saturday morning was started with breakfast of Sausage, Pancakes, Fruit, Juice and Coffee provided by our hosts.

The monthly GWTW meeting followed. Minutes were emailed to each member.

We then had the afternoon to explore the area or rest up at the campground. There was some local shopping and even an afternoon game of *Hand and Foot* at the clubhouse.

Saturday night we had Turkey and Ham, provided by our hosts, and too many side dishes and desserts to name, provided by our members.

After the meal, we had our annual Gift Exchange Game with lots of laughs and stolen gifts, but in the end, we all came away with a very nice gift and lots of fun memories.

Sunday morning was left free so each could head home at their own timing 😊
