

Metro Atlanta Winnies

May, 2007 News

Hello to all my WIT Friends,

I am now home at last and doing pretty good. Aside from some aches and pains I feel real good and lucky. My surgery turned out to be a double by-pass. It was back and forth for a while but the doc told me it was a double. Also, I want to tell you "There ain't no place like home!" Thanks once again for all the cards, prayers, thoughts, emails, phone calls and balloons. I look forward to seeing everyone real soon.

I am grounded for the next 30 days so I will miss the state meeting this month. Margie and I plan to be in Adairsville in June and I am hoping to have a Happy Hour Friday a 4:00 P.M. That's still a long way off and here's hoping nothing interferes with that plan.

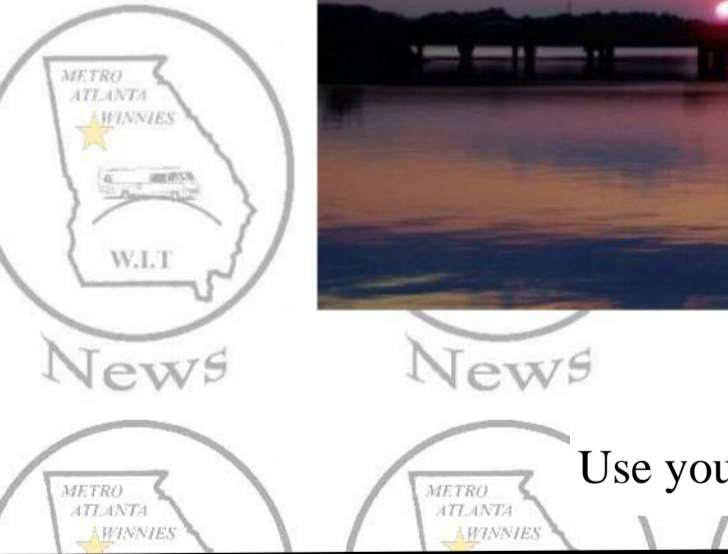

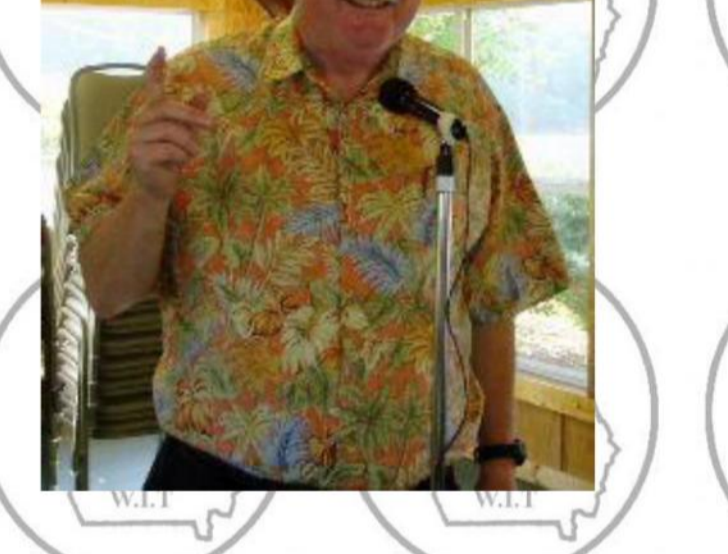

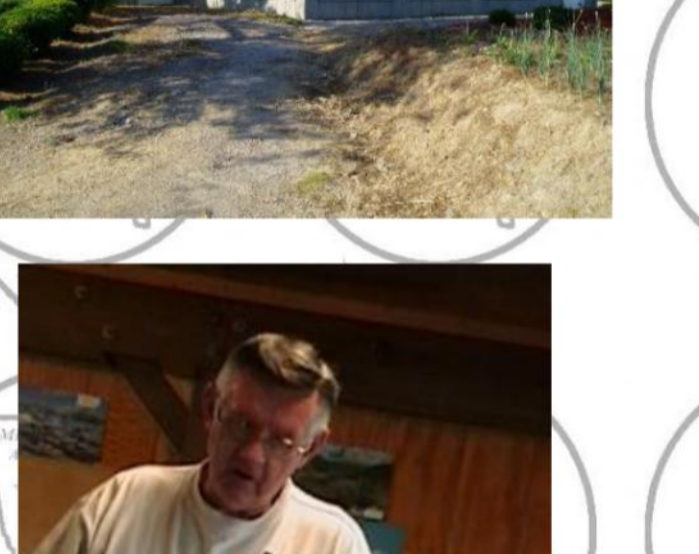

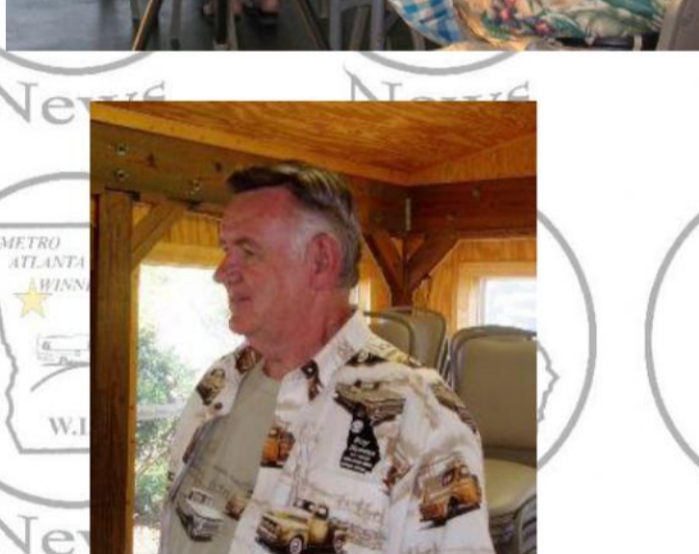

Fred and Linda Tomsett are the host and hostess and they tell me they have a busy and exciting Saturday planned for us. Please contact them and the campground to make your reservation and to let Fred and Linda know you are coming.

Once again, it sure is good to be home as I start my road to recovery.

Your Friend,

Dan Rankin, President
