### Metro Atlanta Winnies February Outing

There was a light turnout at the February outing at Cherokee, NC. Three coaches attended. We had great weather all weekend. Friday afternoon we sat outside on the patio and enjoyed the scenery that surrounded us. The KOA is in a valley surrounded by mountains. Friday night we went out to a steak buffet and ate just a little too much.

Saturday morning we left in the KOA van to Bryson City and the Great Smoky Mountains Railroad. We had inside coach seats, but we spent about 1/3 of the time out in the open cars. The scenery was beautiful as we passed by lakes and rivers with the Smoky Mountains all around. There was a 1 hour stop at the Nantahala Outdoor Center where we watched people in canoes and kayaks pass by in the rapids of the Nantahala River. Doug Ralston got a tour of the cab of the Locomotive while we were stopped.

Back at the campground Sarah Sowers cooked a fantastic spaghetti dinner. A great time was had by all.
