

May News

At the May state meeting Dan Rankin and Fred Tomsett were sworn in as State officers. Dan is now the Georgia Winnie Rebels State President and Fred is the 1st Vice president. Dan announced that the 2009 rally will have a western theme. We want to make the 2009 rally the best yet. We plan to "communicate" by getting the word out to all the state members, advertising with other WIT chapters, and take advantage of our websites. Every member will have the opportunity to get involved. There are many different fun things that each member can get from to help with the rally from leading a team, helping a team, finding sponsors and door prizes, to just showing up at the Rally.

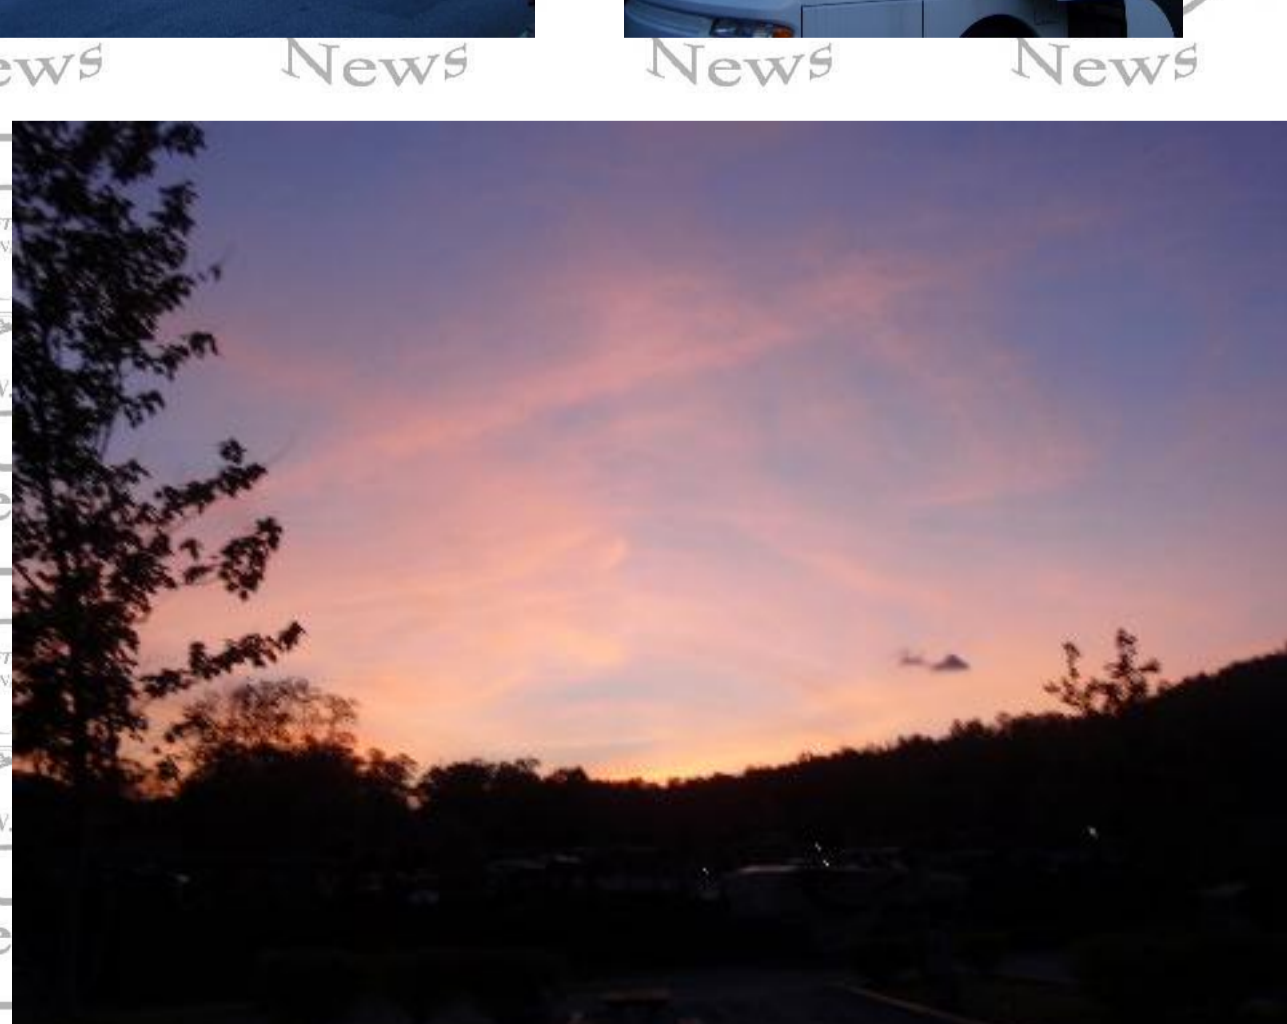

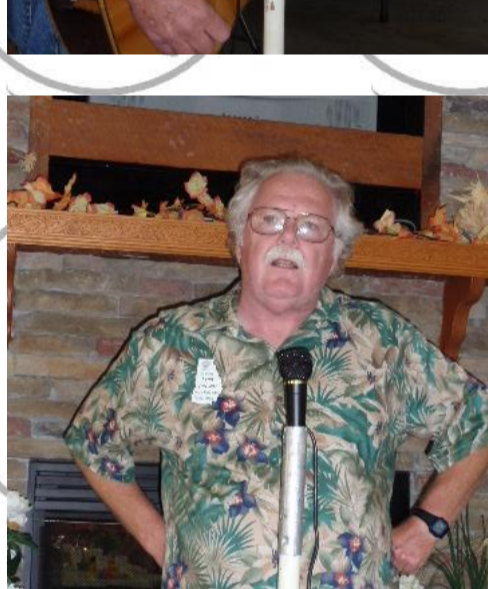

Let's have a FUN year!

Fred Tomsett, Vice President
404-626-3696.
