October 2010 News Letter

Our outing October 15 – 17 was held at River Vista Mountain Village, Dillard, Georgia. Our hosts were Dan & Margie Rankin and Paul & Sylvia Tarnuzzer. We had 9 coaches in attendance. Our guests were Kevin and Mageenda Doe from Roswell, Georgia.

Friday evening we went to Scooters BBQ for dinner and returned to the club house for Wii games which everyone enjoyed.

Saturday morning our host provided breakfast then we had our meeting. Everyone toured different areas in the mountains in the afternoon. For dinner we had the famous Dan-burgers with everyone bringing side dishes. After dinner Sylvia led us in the game of guessing who the person was that sent in three different things about themselves that no one in the club knew about you. This was lots of fun and you got to know the members better. There were some very interesting things that were submitted. Myra was the winner guessing the most correct answers.

Sunday morning we had coffee, juice, and danish. Then everyone said their goodbyes until the next time we meet again.
