NEWSLETTER October 2014

The October 2014 outing was held at Raccoon Mountain RV Park & Campground. The weather had perfect fall temperatures. Hosts Fred & Linda Tomsett did a marvelous job and it was a wonderful weekend.

Friday evening we went to the Chattanooga Choo Choo for dinner and ate at "The Station House". The waiters and waitresses get up on a stage and sang songs while we enjoyed a delicious meal starting with unending salad bar to entrees and dessert.

Saturday we went for a luncheon cruise on the Southern Belle Riverboat on the beautiful Tennessee River. We enjoyed 1 ½ hour cruise with commentary on the river history and legends. There was live entertainment that sang while we ate and then 6 rounds of Bingo before we docked. That night for dinner we had a hot dog supper with all the trimmings and we sat around the fire pit and enjoyed talking.

Sunday we said our goodbyes till the next time!
