Gone with the Winnies

Volume 6, Number 6 Editor Joyce Berens June 2006

June Outing

The June outing of Gone with the Winnies was held at River Vista RV Park in Dillard, GA. on June 9 - 11, hosted by the Homer Bunch and Wayne Welch.

Several members arrived on Tuesday and went to the Country Cupboard for dinner. Wednesday evening dinner was at Fat Buddies Bar-B-Que in Franklin, NC. Thursday evening several went to Clayton, GA. for Pizza.

Friday evening everyone cooked out at the club house and were then served dessert and coffee by our hosts followed by chase the ace.

Saturday morning our hosts served breakfast casserole, grits, toasts and coffee. Our chapter meeting followed the breakfast and then everyone was on their own until dinner. Several went flea marketing, others shopped at the antique shops, and some just relaxed as it was very HOT.

Saturday evening our hosts prepared beef roast and gravy and everyone brought a dish to pass. Following dinner many played chase the ace. This was Bill and Annette's lucky weekend, they won the 50-50 pot and chase the ace both nights.

Sunday morning we had sweet rolls, coffee and juice, then everyone said their good-byes until next time. The weekend was very HOT in the mountains but everyone had a great time. Our hosts did a great job as they always do. The Homer bunch can sure cook.

TECH TIPS

We had the Safe-T-Plus Steering Control put on our RV a few years ago at the Perry rally. Bought it as insurance, hoping we would never need it. Coming back from Fla. the end of April this year our front right tire blew on I-75 around Venice, Fl. We were in the right lane and with fuel costs so high, Ken was keeping it down around 60-65. From the horrendous noise, we knew a tire had blown, but the steering control worked so good, Ken wasn't sure which tire until he pulled off and got out and looked! He couldn't feel any tug in the wheel at all and easily steered off the road. We've heard some horror stories from people without this aid and now we know how terrific it is. We highly recommend the product.

NEED YOUR PRAYERS

I want to call your attention to the sad but important fact that several members of our chapter are still very much in need of your thoughts and prayers. Please remember the other chapter members who are still under the weather, Mac & Pat McAlister, Jane Hett (Max Parker's sister), Ernest Moosa, Don Blair & Jerry Berens.
