Cheddar's is famous for its piles of golden, deep-fried onion rings. Ray and Kris Yontz sneaked the first sample.

The food was wonderful, but the camaraderie was even better. We Gone with the Winnies know how to show love and appreciation to each other - and that is very special.

Max and Winky

The most important thing that happened there was when we saw our friends Max and Winky Parker walk into the dining room. Everyone applauded loudly and welcomed them. It seemed years since we had seen them.

After lunch, we had a short business meeting. One item that was discussed was the Metro Atlanta Winnie's invitation for us to join them at their November outing at the River Plantation Resort in Sevierville, TN. This seemed to be agreeable with everyone - so Metros, ready or not - here we come!

We were also reminded that we will be joining the Metros at their March outing at the Corps of Engineers McKinney Campground at 6659 McKinney Campground Road, Acworth, GA. 1-877-444-6777.

It was a good luncheon. If you missed it, you missed a good one!
